

Instructional Goal/Objective Worksheet

Instructional Goal: Write the overall goal:		
Instructional Objective: Using the three characteristics of well-written objectives, fill in the boxes based on the objective you plan to write.		
Condition	Performance	Criterion (degree)
Begin with “given” or “when” and describe the condition that must exist for the learner to perform	Answer this question: What will the learner be able to do?	Describe how well the learner should know or be able to do the performance (Is it measurable?)
Write your completed objective here:
